

# **SOEN 331 - Anything - Sprint 2 Meeting Minutes #3**

**Date:** October 30, 2024

**Location:** Online via Discord

**Type:** Special Meeting

**Minute Taker:** Han Lee

**Start Time:** 6:05 PM

**End Time:** 8:50 PM

**Absentees:** N/A

## **Meeting Agenda**

- Give updates between different subissue members
- Moving back from SQL to CSV
- Beginning on working on acceptance tests

## **Key Discussion Points**

1. **Updates between members**
  - Progress on “Teachers” and “Students” page
  - Identified required features and technical specifications.
2. **Moving back from SQL to CSV**
  - SQL was convenient to work with and more secure
  - However, we were hit with time constraints
  - It would start messing up with online hosting services
  - Therefore, we have decided to move back to CSV
3. **Acceptance tests**
  - Began working on acceptance tests
  - Han is working on acceptance tests
  - Other teammates are helping as this is the main feature to be implemented

## **TODO Items until Next Meeting:**

- Finish creating CSV file on the server and finish Sprint 2
- Complete required tasks on acceptance tests
