

SOEN 331 - Anything - Sprint 2 Meeting Minutes #2

Date: October 27, 2024

Location: Online via Discord

Type: Special Meeting

Minute Taker: Han Lee

Start Time: 2:05 PM

End Time: 2:50 PM

Absentees: N/A

Meeting Agenda

- Give updates between different subissue members
- Moving from CSV to SQL
- Creating more issues and assigning them to members

Key Discussion Points

1. **Updates between members**
 - Need to work on acceptance test
 - Discussing whether to move from CSV to SQL or to stay with CSV
2. **Moving from CSV to SQL**
 - SQL is convenient to work with and more secure
 - Therefore, we have decided to move to CSV from SQL
3. **Acceptance tests**
 - Creating issues on GitHub to begin working on acceptance tests

TODO Items until Next Meeting:

- Start tasks on acceptance tests
- Learn SQL and prepare for migration
